St. Frances Cabrini Family Update

November , 2018

Dear Parents and Families,

We had a great time for spirit week this week. We spent a week celebrating Mother Cabrini, the foundress of our school. A huge thank you to Ms. Loretta for planning the whole week of activities for the students and thank you for sending in your students with walk-a-thon sponsors and can goods for our fundraiser. This week's Eureka Challenge at the bottom of the update is for fourth grade! The first family to email or text Ms. P a picture of their answer showing all their work will get a prize for their student. Parents and Students must complete the problem together for it to count! We didn't have a winner in our last update so make sure you read the bottom if this update.

Eureka Challenge: Fourth Grade

Please use the Read, Draw, write, strategy to solve the problem. (Read the problem, Draw and label, write the equation, write a word sentence.)

SFC has a platform outside with an area 9 meters long and 6 meters wide. Ms. P wants a fence to that will go around it as well as grass to cover it. How much fence will she need? How many square meters of grass will she need to cover the whole area?

If you have any questions or concerns please don't hesitate to call us at 215-748-2994.
