

St. Frances Cabrini Family Update

November 30, 2018

Dear Parents and Families,

We had a great week back after Thanksgiving! I can't believe that it is already December! We have a lot of events happening in December and it is going to fly by. Be sure to check the December Calendar for the full list of events. Report Card Conferences are coming up on December 14. This round of conferences is for academic concerns that the teacher may have. Your child's teacher will reach out to you through Sign-Up Genius if a conference is required.

We are going to give second grade another try at the Eureka Challenge below. This week includes a prize for parents as well!

Reminders/Updates

- The **Walk-a-Thon** was a huge success and we raised over **\$3,000** for the school! Thank you for all your pledges and support!
- On **12/21**, SFC is going to participate in **CHOP's Pajama Day**. **Students who bring in \$2 can wear their pajamas to school. All the money we raise will be donated to Children's Hospital of Philadelphia.** Thank you Ms. Daise for letting us know about this great event!
- Please **continue to check Live School and Class Dojo regularly so you can track your student's Merits and Demerits.** As a reminder from our handbook, students who have 40 or more demerits at the end of our first trimester will be put on probation and placed on hold for re-enrollment.
- Late students must report to the main office to get a late slip from Ms. Copes. As a reminder, **students are late as of 8:01.** Middle School Students are allowed to enter through the front door if they arrive after breakfast (7:55). Please refer to the Student-Parent Handbook for information on interventions for chronic lateness and absences.
- IMS is gathering input from families regarding our school performance as part of **Middle States Re-Accreditation.** We are asking that all families complete the survey – it may take about 20-25 minutes. Thank you! <http://bit.ly/sfcfamilysurvey>

Eureka Challenge: Second Grade

Please use the Read, Draw, write, strategy to solve the problem. (Read the problem, Draw and label, write the equation, write a word sentence.)

Levi had a stick of 8 blue linking cubes. His friend, Idris gave him 5 yellow linking cubes. How many linking cubes does Levi have now?

The first family to complete the problem and send a picture to Ms. P wins a prize!

If you have any questions or concerns please don't hesitate to call us at 215-748-2994.
