# St. Frances Cabrini Family Update

January 14, 2019

Dear Parents and Families,

I can't believe we are halfway through January! Re-enrollment forms for next year went home last week. Please make sure you fill them out and return them to Ms. Natalie as soon as possible. MAP starts this week and we are excited to see how much growth our students made. Catholic Schools Week is January 28-February 1. We will be inviting parents to come join students for lunch again this year and that will be on Wednesday (1/30). We will also be hosting a Dining to Donate Night on 1/30 at the Applebee's on City Line Avenue. Ten percent of your bill will be donated directly to the school! This week's Eureka challenge is for fifth grade.

Please use the Read, Draw, write, strategy to solve the problem. (Read the problem, Draw and label, write the equation, write a word sentence.)

Ms. Potter wrote 5 tenths minus 3 hundredths on the board. One student said the answer is 2 tenths because 5 minus 3 is 2. Is the student correct? Explain.
