St. Frances Cabrini Family Update

May 10, 2019

Dear Parents and Families,

MAP testing is here again! For the next three weeks all students in grades K through 8 will take the Northwest Evaluation Association (NWEA) MAP test in reading and math. MAP measures your child's growth over the course of this year. It is very important that your child gets a good night sleep and eats a healthy breakfast. Every student who meets their goal will get to attend the MAP Carnival. We'd also like to wish all of the mothers in our SFC family a very happy Mother's Day! We are so grateful for you! Please stop in the cafeteria on Monday, May 13th for some coffee and muffins on us from 7:30-8:30.
