Philosophy:

St. Frances Cabrini CARES Program has been established to provide professional care, supervision and recreation activities for children registered in the program while living out the philosophy of Mother Cabrini which is "to know, love, and live the life of Christ, by providing a value centered education". By definition, CARES is an extension of our Catholic School environment to service our children before and after school. The CARES program will be staffed by a number of devoted and caring staff who will work together, along with the director, to provide a loving and safe atmosphere for the children.

Program Hours:

The Morning CARES Program will be in operation on days when school is in session. Hours for the Morning Program are 7:00 AM until school begins at 7:30 AM. After School:

The CARES After School Program will be in operation on days when school is in session. The Program will not operate on days when school is closed due to inclement weather. There will be \$1.00 charge added every minute after 6:15 PM until the child is picked up. A report will be generated for any child who is picked-up late. Parents/Guardians/Authorized Adults will be requested to sign the late report. Any child who is picked-up after 6:00 PM on two occasions during a trimester will be dismissed from the program. There is no exception to this policy.

Any child receiving three suspensions during the school year for financial reasons will be dismissed from the CARES Program and ineligible to participate for the remainder of the school year. There is no exception to this rule.

If there is a financial matter that needs to be discussed, please immediately speak to the director of the program.

Parental Responsibilities:

With the children's safety and well-being in mind, it is most important that parents/guardians fill out the Release Authorization and Emergency Information forms. These forms should be sent to the school office ***PRIOR*** to the first day of the CARES Program.

Once a child has reported to the CARES Program, parents/guardians should not take the child from the school premises without notifying the CARES Program Staff. An authorized adult must sign to pick-up a child from the After School Program. **Only authorized adults are permitted to pick-up and sign-out a child or children. Authorized adults are defined as an adult who has previously had their name included by a parent/guardian on the Authorized pick-up list. No person, parents included, will be permitted to pick-up a child if their name is not listed on the forms.**

If, during the school year, parents/guardians wish to add or remove names from the Release Authorization form, please notify the CARES Program Director with the change. **For the safety of the children, this information must be kept up to date!** Children may not sign themselves out of the program (regardless of their grade/age). Adults picking up children are **NEVER** permitted to go to any part of the building except the school hall where CARES Program is in operation. **Adults should be prepared every day to show valid photo identification if asked by a CARES staff member. This is for the safety of the children.**

Illness or Accident:

In cases which appear to be of a minor nature, first aid will be administered on the premises. Medication cannot be administered by mouth unless a written statement from a physician detailing method, amount, and time schedule, and a written statement from the parent/guardian authorizing the staff to assist the child taking such medication is on file.

In cases which appear to be serious, the director will make every effort to carry out the instructions given on the emergency contact form.

Parents who do not wish that their child be treated in any way should indicate such on the emergency contact form, and should give directives to be followed.

If the home does not supply adequate emergency instructions, or if the instructions cannot be followed at the time of the emergency, the CARES staff will act accordingly to the best judgement for the welfare of the child.

Homework Period:

A scheduled homework period will be provided. It is the child's responsibility to have his/her assignments and books. Children will not be permitted to go back to their classrooms for forgotten books, materials, or belongings. Parents/guardians are responsible for checking their child's homework each night. The homework period is not a tutoring session. The homework period is an opportunity for students to complete their written homework. Students in **grades 1 to 8** will have the opportunity to complete assignments during the homework period. **Students in grades Pre-Kindergarten and Kindergarten will not be permitted to work on homework assignments during the CARES Program.** The homework period will begin following snack and will end at 4:30 PM.

Snacks:

Students should bring their own snack every day. Nutritional snacks are recommended.

Behavior:

As members of a caring community, the children will be expected to RESPECT the CARES staff and one another, as well as the materials and environment provided. Children may never leave the building or grounds without an authorized adult. Children will be expected to listen to and obey the CARES staff and rules. The CARES Program will not tolerate any form of disrespect or rough play. Children will be immediately dismissed from the program for fighting or any type of physical contact. If a child hits a CARES staff member, they will be immediately dismissed from the program. School rules and regulations are strictly enforced during all CARES operating hours. Any child who does not conform to the rules and regulations of the CARES Program will be dismissed from the program. The CARES director in cooperation with the principal and assistant principal will decide on matters of dismissal from the CARES Program. Failure to follow the rules will result in disciplinary actions.

Cell Phones:

At no time are students in the CARES Program to be using a cell phone for any reason. Phones are to be kept in a schoolbag. If a child has a cell phone out of their schoolbag, the phone will be confiscated and returned to a parent/guardian. **We also ask that parents refrain from using their cell phones when picking-up their child/children.** Children require your attention when being picked-up, and a CARES staff member may need to speak to a parent.

Electronic Devices:

Children should refrain from bringing any type of electronic devices to CARES. These include any type of cell phone, iPod, iPad, handheld games, tablets, Nintendo DS, or any other electronic device. The school and CARES Program are not responsible for any missing or damaged electronic device. If an electronic device is spotted by a CARES staff member, the electronic device will be confiscated and given to a parent/guardian upon pick-up.

School Connection:

The CARES Program at St. Frances Cabrini School is a school sponsored program which employs faculty and staff members of the St. Frances Cabrini School Community. CARES is an extension of our Catholic School environment, but it is not an extension of the school day. It is a program offered to families of students who require child care following the normal operating hours of the school day.

Children are to remain in their school uniform while in attendance at the CARES Program. Any child needing to change their clothes should bring a letter from their parent/guardian to the CARES director explaining the reason.

Lateness:

Any child who is not picked-up from the CARES Program by 6:00 PM will be charged a late fee of \$10.00 beginning at 6:01 PM until 6:15 PM. There will be \$1.00 charge added every minute after 6:15 PM. A report will be generated for any child who is picked-up late. Parents/Guardians/Authorized Adults will be requested to sign the late report. Any child who is picked-up after 6:00 PM on two occasions during a trimester will be dismissed from the program. There is no exception to this policy.

Release Authorization and Parent/Guardian Contact Information

It is the responsibility of the Parent/Guardian to keep all pertinent information up to date and current. All phone numbers must be operational, and the school number must not be blocked from receiving calls. Disconnected phone numbers, unreturned phone calls, outdated information, or failure to foster a relationship of communication between Parent/Guardian and the CARES Director & Staff may result in the child being dismissed from the CARES Program. Communication is a necessary part of safety.

Any child who has a court order/custody order must have all appropriate paperwork on file in the CARES office. Please ensure a copy of all paperwork is returned with your child's registration information before the first day of CARES.

Inclement Weather/School Closing:

In cases of inclement weather forecasted after the completion of the school day, it may be necessary to cancel the CARES Program for that day. Any decision for cancellation will be made by 12 noon, and parents will be contacted by phone/email. In situations where school is operating with a delayed opening, Morning CARES will not be available. We thank you for respecting the safety of our staff who must travel in hazardous weather conditions.
