

St. Frances Cabrini
CATHOLIC SCHOOL

An Independence Mission School

Dear Parents/Guardians,

Welcome to Kindergarten! This is going to be an exciting time in your child's life! The summer is a great time for your child to practice skills that he/she will need once school begins. Therefore, I have put together a book activity for you and your child to work on and complete together.

This summer you and your child will read the story "Knuffle Bunny Too: A Case of Mistaken Identity" by Mo Willems. This story can be purchased on Amazon or can be found as a read aloud on YouTube. After reading, students will complete 3 activities that will help them understand the characters, setting, problems, & solutions of the story as well as be able to explain their favorite part of the story. Throughout the school year the students will focus on these same skills, so it is important for them to get a head start this summer. You will need basic school supplies such as pencils and crayons to complete this activity.

In addition to completing the book activity, students will practice the skills listed on the "Things to Know" sheet and practice their colors, numbers, shapes, letters, letter sounds, and writing their first and last name. Students should also access DreamBox and Raz Kids for at least 1 hour per week (20 minutes a day). I will be monitoring their progress and time on each site throughout the summer.

This book activity will be due your child's first day of school. I am looking forward to an amazing year with your little one! Have a happy and safe summer!

Best,

Ms. McCrary
